About Me

Sailing has been an all-consuming passion since childhood – canoes, dinghies, and finally after a magical Sail'n'Dine evening with John and Judie, my own 24 foot yacht on Windermere.

It didn't stop there. John and Judie were retiring and selling the business. I needed a change of direction in my life, and the dream of owning Sail'n'Dine was born.

Many meetings later the dream is now reality and I look forward to welcoming guests aboard my magnificent new 32 foot yacht 'Maddie Too.'

I will be cooking locally sourced foods with a selection of fine wines and you will all be assured of a warm welcome aboard.

About the Yacht

'Maddie Too' is a 32 foot Beneteau Oceanis Clipper, launched in 2005 on Windermere. She is spacious both on deck and in the luxurious saloon, and will accommodate up to 8 persons for sailing and informal occasions. The table will seat 6 for more formal meals and a deck table allows drinks and snacks in the Lakeland's glorious sunshine! For the occasional (?) cooler days there is full central heating.

About the Lake

Windermere is England's largest natural lake, 12 miles long, 1 mile wide and 220 feet deep. Fed by several rivers, it is abundant with all types of wildlife, both in and out of the water. The surrounding scenery is breathtaking, a 360° panoramic seen best from the water, and aboard 'Maddie Too' you can take advantage of exploring the many secluded bays and hidden delights the lake has to offer.

Sailing by the Hour

- Sailing by the hour for upto 8 people from £20 per person for 2 hours.
- Personalised gift vouchers for all occasions
- Exclusive use of the skippered yacht for special occasions.
 - Champagne sailings.
- Private business meetings in complete privacy.
 - Staff rewards and incentives.
